Commissioner of Patents
P.O. Box 1450

Sir:

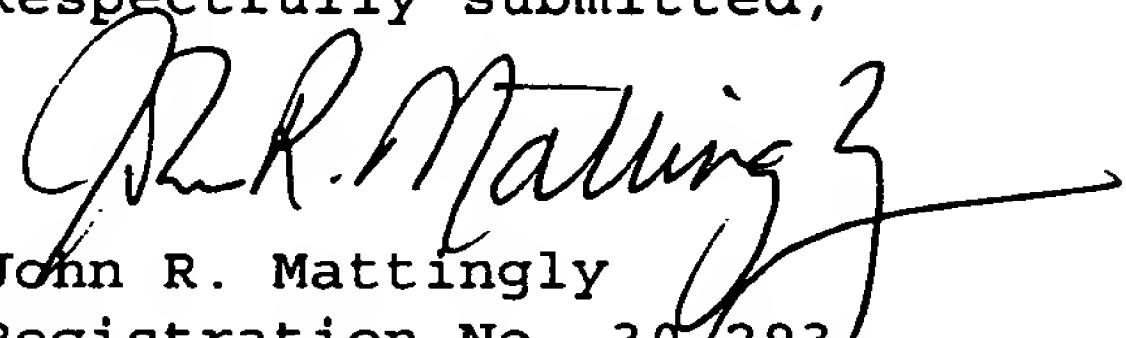

A Notice of Abandonment mailed June 25, 2004 has been received in the above-identified reissue application for failure to timely file a Reply to the Office Action of October 20, 2003. Reconsideration of the holding of abandonment is respectfully requested because the Reply filed by Applicants was lost by the Patent Office.

Applicants filed a Reply December 1, 2003 that was fully responsive to the outstanding Office Action. Enclosed is a copy of the documents filed along with a copy of the mailroom date stamped receipt, showing the filing date of the Reply of December 1, 2003. Applicants note that the application stands in condition for allowance except for the receipt of the original patent, which was required in the Office Action of October 20, 2003. However, the original patent was

surrendered in the parent application, as evidenced by the papers submitted with the Reply of December 1, 2003.

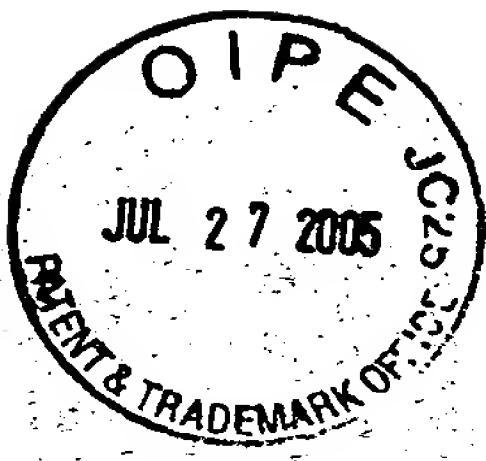

Accordingly, the abandonment of the application should be withdrawn and the application allowed.

REPLY

Commissioner for Patents
Alexandria, VA 22313

Sir:

In reply to the Office Action dated October 20, 2003,
Applicants advise the Examiner that the original patent from
which the present reissue application is based was filed in
the parent reissue application Serial No. 09/095,101. The
present application is a continuation reissue application.
The parent application has been reissued as RE 37,593 on
March 19, 2002.

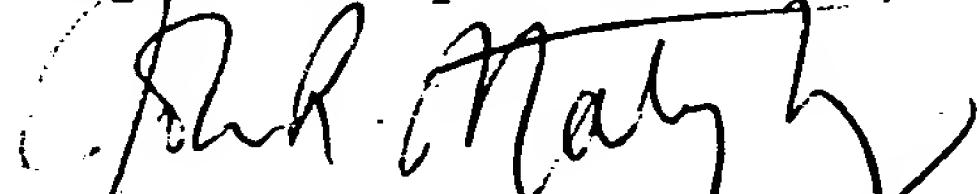

Submitted herewith is a mailroom date-stamped receipt
from the Office of Preliminary Examination of the U.S. Patent
and Trademark Office showing the original patent filed in the
parent reissue application on June 12, 2000. Since the

original patent was surrendered in the parent reissue application, it is inaccessible to the Applicants for filing in the present continuation reissue application. Therefore, Applicants respectfully assert that the submission of the date-stamped mailroom receipt submitted herewith complies with the requirements of 37 C.F.R. 1.178 and therefore the Examiner can allow the present continuation reissue application on this basis.

If any questions remain unresolved, the Examiner is requested to contact the undersigned attorney.

The Examiner should find the application in condition for allowance. Reconsideration and reexamination are respectfully requested.

Respectfully submitted,
